About me & my work

Travel, music and communicating with people inspire my filmmaking and creative practice. I have a passion for environmentalism, and strive to tell heart-warming, entertaining stories with an educational/political/environmental theme.

Volunteer Work

English Teacher

Hope Agency.org, Takéo Province, Cambodia
August - September 2019

The community Rail Awards

Working to redesign the St. Albans Abbey Station entrance. This included organising and presenting the design, working within a team and working under a deadline.
September - July 2015
